

Bristol's Short Breaks Statement

Are you interested in developing the shared vision for Short Breaks in Bristol?

What is a Short Breaks Statement?

The Short Breaks Statement describes the range of short breaks available, the eligibility criteria for these services, and how the range of services is designed to meet the needs of the carers, disabled children and young people and their families. This is the vision for Short Breaks.

Have Your Say

We want Bristol's shared vision for Short Breaks to be written in coproduction with parent carers of disabled children and young people. Join our online session to look at Bristol's current Short Breaks Statement so that we can review the current Statement together and have a conversation about: -

- What needs to be in the Statement
- How it should be written to make it easy for parent carers to understand

Join us on Tuesday 6th October 2020 from 12.30pm to 2.30pm

Registration is essential to join the online session:
